Project Worker Vacancy

Thank you for your interest in Stable Life and our current vacancy for a Project Worker.

Please find enclosed the recruitment pack, which consists of:

- Job Description & Person Specification
- Application Form
- Application Form Guidelines
- Equal Opportunities Monitoring Form
- Self-Declaration Form
- Job Applicant Privacy Notice

If you wish to apply, please read the enclosed information carefully, complete, and return your application by **Friday 27th November 2026** Please note that we will not normally be able to consider applications received after the closing date has passed.

Applications are short-listed against the essential, preferred and desirable criteria and successful applicants will be invited to attend the second stage of the recruitment process no later than the 7th December 2026.

The interviews will take place during the week commencing **14th December 2026** at Stable Life. They will consist of a case study, short practical session and panel interview. Full details will be in the interview invite.

We are committed to treating all job applicants fairly and equally. Whilst we believe we have a good record in this area, we do not wish to be complacent. We therefore, would be grateful if you would complete the enclosed Equal Opportunities Monitoring Form. This form will be separate to your application and will not form any part of our decision. The information held in this form is solely to assess our progress against our equality targets.

Further information is available from the Chief Executive, Mags Powell on 07450845216 or email magspowell@stablelife.org.uk
